

About sending a letter to the Land Use and Economic Development Committee in support of the urban agriculture legislation:

Letters should be sent by e-mail to all three Supervisors on the Land Use and Economic Development Committee (contact information below). We also encourage you to copy a few other people in your correspondence.

Please send your letters so they arrive by the end of Sunday, June 3, 2012. This will ensure that they are received prior to the hearing on June 4.

If you can, please attend the hearing for the proposal currently scheduled on Monday, June 4 at 1:00 PM in City Hall Room 263. We want to have the strongest presence possible!
